GST DAY 2023

The Department of commerce has conducted a programme on GST on 1st July 2023. The head of the Department Smt. V. Swarnlatha remarked on the occasion that GST was brought by the late PM of India Shri Atal Bihari Vajpayee and he is also known as the father of GST. The first state in our country which introduced GST is Assam and second and third states are Bihar and Jharkhand.

As per article 279A(4), the GST council will make recommendations to the union and the states on important issues related to GST. The chairperson of GST council is union finance minister Smt. Nirmala Sitharaman.

Thus year's GST Day 2023 theme is "Celebrating simplification and economic Growth". The motto of GST is "one nation, one market and one tax".

Students also spoke about GST that every citizen should be responsible in paying GST to the government and the governments will spend the GST money for welfare and other developmental activities.

GURU POURNAMI

The Department of Telugu has observed a program on Guru Pournami in our college on 3rd July 2023.

The head and the vice. Principal, Dr.S.Gulabjan spoke on the occasion that Guru Purnima is celebrated across the world. According to panchang, the Purnima tidhi or the full moon period is set to begin on 2nd July. Guru Purnima will be observed on Monday 3 July this auspicious day is celebrated among Hindus to honor the importance of teachers. This day mainly expresses the relations of guru and shishya.

On this special day people take the blessings of their Gurus. Gurus serve an important place in everyone's life, they show the right path to their shishyas. They enlighten our path by their teachings and knowledge. Guru removes the darkness that comes in our life with their blessings and guidance. Guru acts as a spiritual advisor, counsellor, teacher, Leader and upholder of dharma.

The principal Dr.L.Anjali Devi stressed the importance of this day to the students that according to Hindu methodology, it is believed that there was a sage named PARASHAR and his son was born on this auspicious day who was aware about all the kaals i.e, bhootkal, vaartman kaal and bhavishya kaal. He edited the four Vedas into four parts to spread the knowledge as he knew people would become spiritually and religiously inactive. That's why he is called an ancient guru and his birthday is celebrated as guru purnima.

BLOOD DONAR DAY

A programme on Blood donor day was observed in our college on 14th June 2023. This programme was attended by the medical officers of local Govt. Hospital. Dr. P. Reddemma addressed the students as “Donating blood saves lives”. One blood donation can save upto three lives. He said that there are several benefits in donating blood. We get pure blood, weight loss, stimulates blood cell production, maintains healthy heart and liver and also anti-cancer benefits.

The other doctors also remarked about the importance and donating blood is lowering of blood pressure and a lower risks for heart attacks. It definitely helps to reduce cardiovascular risk factors. However the need for ‘O’ negative blood is the highest because it is used most often during emergencies. The need for ‘O’ positive is high because it is the most frequently occurring blood type(37% of the population).The universal red donor cell has type ‘O’ negative blood. The universal plasma donor has type AB blood.

The students are greatly benefitted with the speakers and promised that they will come forward in donating blood and plasma to the needy people to save lives. The students came to know that there are 4 kinds of blood groups as ‘O’, ‘A’, ‘B’ ‘AB’. More importantly ‘O’ negative blood is a universal red cell donor and ‘AB’ blood group is a universal plasma donor.
